

Associate Professor  
Dr Ahmad Kamil Mahmood  
Dean of Faculty of Science and Information Technology  
Universiti Teknologi PETRONAS

11 NOV 2014

Dear Assoc. Prof. Dr Ahmad Kamil Mahmood,

**Ref: Invitation Letter to Co-organize the International Symposium on Mathematical Sciences & Computing Research (iSMSC) 2015**

On behalf of the organizers of the International Symposium on Mathematical Sciences & Computing Research (iSMSC) 2015, I sincerely would like to invite your organization to participate as a co-organizer for this event. The main objective of this event is to promote and provide a platform for researchers, academicians, and practitioners to meet and exchange ideas on recent research and development in the areas of computing research, information systems and mathematical sciences.

2. Benefits of an the co-organizer:
  - a. The involvement of your organizations representative in the iSMSC 2015 main committee whereby Assoc. Prof. Dr. Jafreezal would be elected as the co-chairman of iSMSC 2015.
  - b. The involvement of your organizations representative as the technical paper reviewers.
  - c. Accepted conference papers submitted by your organization staff and postgraduates students would be published in the iSMSC 2015 proceedings which will then be indexed by Scopus.

It is hoped that this collaboration would strengthen the networking opportunities among academicians between both academic institutions.

Below are the details of the conference:-

Title : International Symposium on Mathematical Sciences & Computing Research (iSMSC) 2015  
Venue : Hotel Casuarina @ Meru, Bandar Meru Raya, Ipoh, Perak Darul Ridzuan, MALAYSIA  
Main organizer: Faculty of Computer and Mathematical Sciences, UiTM Perak (Tapah campus)  
Date : 19 - 20 May 2015  
Focus areas : Computing research, Mathematical sciences and Information systems

Hope to receive a positive response from your side.

Best Regards

Dr. Mohamed Imran bin Mohamed Ariff  
Conference Chair - iSMSC 2015  
UiTM Perak (Tapah campus)
